

# Elective Home Education

## A Quick Reminder

- You shouldn't be pressurised into home educating. Until you put your request in writing the school that your child attends is responsible for their education, this includes support with any barriers to learning.
- Request a copy of your local authorities policy for home education.
- The education you provide should be suitable, full time and efficient.
- Visit our online resource bank at [www.electivehomeeducation.co.uk](http://www.electivehomeeducation.co.uk)
- For the latest Department for Education guidance on Elective Home Education visit
